HAL GERBER, M.D.**MANAGING DIRECTOR**

Harold Gerber has over 20 years experience in the healthcare industry and advisory experience with a broad range of companies including biotechnology, pharmaceutical, medical device, and healthcare services companies. Prior to joining Burrill & Company, Dr. Gerber was Managing Director and Head of Pharmaceutical and Biotechnology Investment Banking for Wells Fargo Securities, where his responsibilities included mergers & acquisitions, public offerings, private placements, and strategic advisory work. Prior to joining the predecessor of Wells Fargo Securities in May 2000, Dr. Gerber was Executive Director and Head of Life Sciences Investment Banking for Rabobank International in San Francisco. Previously, he headed the bank's life sciences and healthcare activities in the United Kingdom, France, Spain and Italy and was based in London. Dr. Gerber was a member of the Bank's Strategic Advisory Board, certified by the UK Securities and Futures Authority, and a member of the Board of Directors of the Golden Helix Healthcare Award. Dr. Gerber is currently a member of the National Board of Directors for the American Liver Foundation.

Dr. Gerber received his undergraduate degree in Philosophy from the University of Pennsylvania, where he graduated Phi Beta Kappa and summa cum laude, and his M.D. from the University of Pennsylvania School of Medicine, where he was awarded membership in Alpha Omega Alpha. Dr. Gerber did research at the National Institutes of Health. He was Chairman and CEO and Founder of a medical diagnostic company which he later sold and is now part of Quest Diagnostics. He completed an advanced certification in Internal Medicine at the University of California San Francisco, and is Board Certified in Internal Medicine.
